

SURAJ ARUN DHIWAR

FULL STACK DEVELOPMENT

Motivated and detail-oriented Full Stack Python Developer with a solid foundation in frontend and backend technologies including SQL, HTML5, CSS3, JavaScript, Core Python, and Django. Recently completed a Full Stack Python Development course, demonstrating proficiency in development tools such as GitHub, VS Code, and Jupyter Notebook. Eager to transition from desktop support to a development-focused role, showcasing strong problem-solving abilities and a quick learning mindset. Seeking an entry-level opportunity to apply my development skills in a dynamic and collaborative environment, contributing to innovative projects and organizational growth.

Dear Hiring Manager,

I am writing to express my interest in the full stack development position at your esteemed organization. With the recent completion of my Full Stack Python Development course and a strong academic background in IT, I am eager to contribute to your team.

Throughout my education, I have developed a keen understanding of both frontend and backend technologies. My hands-on experience with HTML5, CSS3, JavaScript, Core Python, and Django, combined with my problem-solving skills, make me a strong candidate for this role.

I am confident that my ability to quickly grasp new concepts and my passion for continuous learning will enable me to excel in a development role. I am enthusiastic about the opportunity to bring my unique skills to your team and contribute to the success of your projects.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Yours sincerely,

Suraj Arun Dhiwar
